

Let us show you why Microsoft Dynamics GP is the most popular Microsoft Human Resources and Payroll Software

■ Web Based Time Tracking

■ Payroll Tax Service

An All-In-One E-Filing and E-Payment solution for submitting electronic returns and payments.

■ Employee Services

Empower employees with a self-service website giving access to paystubs, timesheets, and documents and more on a cloud based portal.

■ Direct Deposit

■ Human Resources and Payroll Management

■ Benefits

Online benefit management & enrollment module that updates payroll with employee elections & assists with ACA eligibility & reporting requirements.

■ Garnishments

■ Dynamics Payroll Inspector

A multifunctional tool that provides up to date tax rates and reciprocity rules for Locals & States, tracks benefit ACA eligibility and verify employee social security numbers.

■ Leave Tracking (PTO, Vacation, Sick, etc.)

■ Flexible Reporting
